

Cheshire West & Chester Council

If you're in need of help when isolating, you should ask...

COVID-19
(Coronavirus)

Family first

Do you have any family/friends that are not isolating who can help with shopping?

Neighbour next

Lots of neighbourhoods are helping each other, can you call on a neighbour to help?

Then online

Find support on our website at: **www.cheshirewestandchester.gov.uk/covid**

Or helpline

Contact us on: **0300 123 7031**

Remember... Family ► Neighbour ► Online ► Helpline

If you're in the 'shielded' category of extremely vulnerable people you will be contacted by the NHS and offered priority support.

If you need support, which cannot be provided by family, friends or neighbours, our helpline can put you in touch with Council and health services or community groups who can provide emergency help.

Visit: www.cheshirewestandchester.gov.uk/covid for how to get help and advice.

- Meals, food, shopping and other practical support
- Homeless service
- Health advice
- Income, bills, employment and Council tax
