

Northwich Town Council

2019-2020 Annual Report

Town Clerk Chris Shaw—Year Overview

Northwich Town Council have had another busy year improving our services for residents, businesses and visitors with partnership working playing an essential part in this. This year partnership working has brought the NOW! Festival back to Northwich for the second year running, secured Northwich awards at both the In Bloom and Great British High Street competitions. It is also through partnership working that we have been putting plans in place to bring Krazy Races to Northwich with teams building their own soap box cars to race down Castle Hill.

For Christmas this year a 4th tree was installed in the Town Centre, this time in Barons Square where, instead of at the library steps, the light switch on took place on the Saturday of a 3 day Christmas Extravaganza. Northwich looked amazing over the festive period and we continue to improve our displays each year with additional lights.

Our parks, cemeteries and play areas continue to improve with funding secured for stage 1 of Verdin Park play area improvements. Work will begin this year on installing new play equipment and removing the old. Victoria Street play area also received a dramatic transformation from an underused site to a play area to be proud of.

Finally the subject that is on everyone's lips at the moment: Coronavirus. Covid-19 has affected everyone's lives in the way that no one would have ever expected but the residents of Northwich have all banded together to ensure that those most vulnerable within the community have all they need and are well protected. People are talking to those who they may have never have spoken with in the socially distanced queues outside of the essential shops. Despite being physically further apart than we have ever had to be (2m or more), community spirit is at its highest and for this we are extremely proud to be part of our community.

Northwich Town Council

2019-2020 Annual Report

A few words from the Town Mayor,

Cllr Kevin Rimmer

Firstly I would like to say a huge thank you to my fellow Councillors for allowing me the chance to serve a second term in Office, a role in which I have thoroughly enjoy.

I have attended some memorable events throughout my year in Office, including , the opening of several new businesses in Northwich. Visiting the Friends of Greenbank Station who have done magnificent work to both platforms and which led to an award recognising this as one of Cheshire's Best Kept Stations, and well deserved. It is always a pleasure to have visited our local residents in our local Care Homes during their Open Days, and even to have shared the 100th birthday celebrations for one lady. It is always a great honour to take part in Northwich Town Council's Remembrance Parade. This year again, saw very large crowds attending the Service of Commemoration at the Cenotaph on a bright and sunny November morning. These events make being a Town Mayor such a privilege being able to attend so many great community events taking place.

Many of the town's events go from strength to strength each year which is testament to the hard work from everyone involved. Summer and Winter, these are so much enjoyed and looked forward to by so many people far and wide. It is most unfortunate and a great disappointment to many, that several events planned for the summer have had to be postponed due to the current COVID19 pandemic. It is sincerely hoped these events and many more will be enjoyed by our townsfolk when happier days come.

Unfortunately this year we have experienced the sad loss of some of our friends and colleagues. Councillors Terry Murphy and Tony Lawrenson— people who will be greatly missed within our Town Council members and the wider communities. In addition Mrs Dee Cooke passed away, who had served as one of our valued Councillors for many years in the past.

During the year we have held some fund raising events, such as the Tree of Lights evening and an Indian Meal, and I am delighted with the total reached. All proceeds will be shared among some local charities. It is again, unfortunate that other Charity fundraisers planned will not now be able to take place .I have thoroughly enjoyed the Year and would like to especially thank Theresa for her help, Chris, Liza, and Steph for all their support.

Northwich Town Council

2019-2020 Annual Report

Cllr. Kevin Rimmer

Town Mayor of Northwich May 2019-May 2020

During the Term of Office, the Town Mayor attended 103 events/functions.

The list below provides details. Events marked in red denotes those that were carried out by the Deputy Mayor, Cllr. Mrs Linda Nelson, events marked blue were carried out by other Councillors.

80% of all Civic Engagements were deputised.

Within the current Civic Handbook are descriptions of the points scoring system for each event according to its type. They are as follows:-

Events promoting the Town	5 points	Local community groups promoting	5 points
Civic Hosting	3 points	Council/Statutory/Traditional	3 points
Business openings inside the Parish	3 points	Charities	2 points
Social	1.5 points	Business openings outside Parish	1 point
Civic Circuit (The Chain Gang)	1 point		

The Town Mayor's points totalled 289.5 points.

Due to the outbreak of COVID19, no further events were attended after 11th March 2020.

Northwich Town Council

2019-2020 Annual Report

2019-2020 Updates

Christmas Extravaganza

2019 saw Northwich's biggest Christmas Extravaganza yet brought together through partnership working. Stretching out over the whole weekend many crowd favourites returned including the fun fair, Santa's grotto and Artisan market to entertain and get the town in the festive spirit. One of the most popular attractions of the weekend was the ice rink set up in Baron's Quay. Families, friends and couples all had a go at zooming around the rink.

The annual lantern parade on the Saturday evening was led by the Batala Mersey Samba Band through the town and into Baron's Square where the main tree had been positioned this year for the light switch on. A firework finale filled the skies signalling the beginning of the festive period for Northwich.

Defibrillators

Defibrillators have been shown to significantly increase the chances of survival for those experiencing cardiac arrest, and over the past couple of years 24 hour accessible defibrillators have been installed throughout Northwich, this year was no different. Two new accessible defibrillators were installed in Northwich, one at Greenbank Hub and the other at Victoria Road Primary School. Contributions for these were made by Northwich Rotary Club, Rotary Club of Northwich and Vale Royal, Rudheath and Witton Together and Weaver Vale Housing Trust.

Northwich Town Council

2019-2020 Annual Report

Lighting of St Helen's Church and Witton Cenotaph

We have been working closely with SANDS (Stillbirth and Neonatal Death Society) to install a Children's section within Danevalley Cemetery, and it is through this charity that we were made aware of Baby Loss Awareness Week taking place in October with the aim to get as many buildings and monuments lit in pink or blue for the duration of the week. With permission and assistance from St Helen's Church Northwich we were able to illuminate both the Church and Witton Cenotaph.

Following this, Northwich Rotary Club approached us regarding a similar project for Polio awareness and we were only happy to oblige illuminating the Church and Cenotaph again, this time in purple to raise awareness.

Northwich Cycle Route

Following on from last year's annual report, we are pleased to say that the cycle route connecting Winnington Village and to Northwich Town Centre, linking Moss Farm, Winnington Primary School and Verdin Park, is well underway. Verdin Park has installed a new path with a designated cycle route at one side.

Northwich Town Council

2019-2020 Annual Report

Northwich in Bloom

For the second year in a row Northwich entered into the In Bloom awards and came away with Silver Gilt in the Best Large Town category. This year provided better growing conditions than the year before ensuring that the plants looked their best when it came time for judging.

Great British High Street

For the second year running Northwich was shortlisted for the 'Rising Star Award' in the Great British High Street Competition. The Rising Star category highlights towns that are committed to creating a better future for its residents and visitors. Unfortunately Northwich missed out on winning this award but will continue to enter in future years.

Northwich Town Council

2019-2020 Annual Report

100th Park Run

Saturday 1st February marked the 100th Northwich Parkrun with 424 participants donning their trainers to complete the 5k course around Carey Park. Northwich Town Mayor, Cllr Kevin Rimmer, officially opened the event by thanking those involved in bringing the event to Northwich, we then provided a huge celebratory cake for the occasion to be enjoyed with a brew provided by the Royal British Legion.

Victoria Street Play Area

With a grant received from Pocket Parks and financial contributions from Oakmere Toyota and JP Ceramics this year we were able to completely transform Victoria Street Play Area from a run down play area to a colourful area filled with equipment to provide essential play provisions for children. Natter tubes, a toddler multi-play and a trim trail are just some of the pieces of equipment which can now be found at the play area.

Give and Gain

Northwich Town Council often gets involved in or organises various clean ups throughout the town and last year was no different. Before the refurbishment of Victoria play area we removed a variety of litter and fly tipping from the riverbank, we have also cleared up behind the shops in the town centre and cleared paths in Leftwich in which the grass banks had encroached on the paths.

Northwich Town Council

2019-2020 Annual Report

Remembrance Sunday

Last year Remembrance Sunday took place on Sunday 10th November beginning with a Parade from Crum Hill to St Helen's Church. Many people attended to pay their respects with various groups and individuals from Brownies Guides, Cubs and Scouts to Northwich Veterans and active servicemen laying their wreaths at the Cenotaph. Also the 146 Squadron (Northwich) ATC who provided the music.

Tree of Lights

Our Tree of Lights service is well attended every year and this year was no different. The rain held off for the night as people gathered around the tree adorned with lights and memorial stars containing names and messages to those no longer with us. Following the service, refreshments of mulled wine, tea, coffee and biscuits were served in the condote room.

Northwich Town Council

2019-2020 Annual Report

Verdin Park Music Festival

Verdin Park Music Festival grows in popularity every year with visitors flocking to the area to enjoy the music provided from a variety of musicians including Take This, Golty, Ivan Kingsley and many more. A licenced bar and hot food stalls were also on site providing all in attendance with much needed refreshments.

Northwich Town Council COVID 19 response

At the time of writing, the spread of the Coronavirus ,(COVID19)which is presently affecting the entire global population is a very serious matter . A UK Lockdown is presently in operation, in a bid to prevent the spread of this disease which is claiming tens of thousands of lives. We are all adjusting our lives to adhere to strict Government restrictions in a way that could not have been imagined; bars, restaurants and non-essential shops closed, people remaining in their houses unable to visit friends and family. Despite all of this key workers have been continuing to go to work as normal, hospital staff continue to provide care for those who need it, all involved in the supply of food have been working to ensure that we can get supplies when needed, school workers are providing emergency childcare for key workers whilst sending work out for pupils staying at home to provide some sense of normality. There are many more key workers and we could not possibly mention them all, so what we as a council have done is to put symbols throughout Northwich to show that we support and are grateful for them all. There is a banner on the banner stand at Verdin Park, the once Golden Balls located near Brio Leisure Centre are now rainbow coloured and Town Bridge was illuminated blue on the evening of Thursday 8th May.

Northwich Town Council

2019-2020 Annual Report

Northwich Town Council COVID 19 response continued

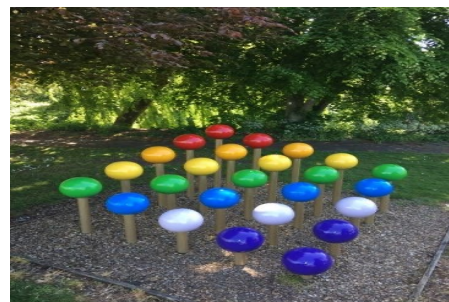

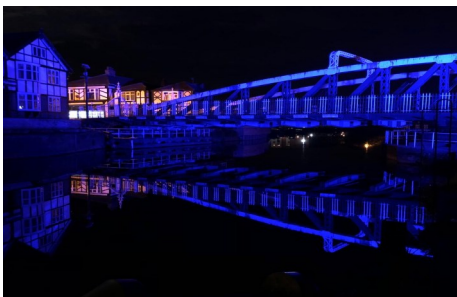

Northwich's COVID-19 response has also seen multiple volunteer groups be co-ordinated to ensure our most vulnerable are looked after and get all they need. In order to assist with this Northwich Town Council have donated a freezer, sanitiser and gloves to Northwich Isolation Support Group. Sanitiser and gloves were also donated to Deli-Thyme, stock from our park shops was donated to staff at Victoria Infirmary, Northwich and Leighton Hospital and we are co-ordinating pick-ups from Roberts Bakery for volunteers.

We continue to work with partners including CW&C, Northwich Rotary Club and the Snow Angels ensuring that we do all we can. Northwich Town Council have also been able to successfully use technology to our advantage in order that our Office staff can carry on Council business work from their homes, and our Grounds staff can continue to fulfil our contracts with adjustments to their working patterns outdoors.

Our scheduled Council meetings have had to be postponed in accordance with Government guidelines, to respect everybody's health, safety and well-being. In order to support resident's right to daily exercise our open spaces remain open with signs reminding users to follow the social distancing guidelines currently in place.

Our play areas, are currently closed and will remain so until we are advised by the government that it is safe to reopen.

In spite of the many hardships that are currently being experienced by many local business, shop owner and residents, the hope is that some return to normality will come in time over the next few months and for the remainder of this year.
