NTC 21/137 TOWN CLERKS REPORT

Northwich Skate Park

We have been working with the local skate group to come up with plans for the new skate park in Vickersway Park and we were working towards submitting a March Funding bid. We have completed the consultation and this has had over 300 responses.

We are struggling to find contractors to give us costs and to carry out the works and this seems to be an issue throughout the country.

Due to not being able to obtain designs and costs we have decided to now submit the funding bid in September when we will have a better idea of costs.

Wildflower Areas

Work has now commenced on the wildflower areas in Witton Cemetery, St Helens Churchyard and Verdin Park. We will be working with local schools to sow the wildflower seeds and this will give a fantastic display in the summer.

St Helens Churchyard Wall

The collapsed wall in St Helens Churchyard is now repaired. Cllr. Emmett enquired who was responsible for the wall at Trinity Church which is in need of repair. Cllr. Cooper agreed to contact CW&C for inspection. David Street wall has also been reported to Cllr. Siddall but advised that this lies with residents to repair.

Currently don't have capacity for extra sessions. It was agreed to set up a sub-committee for forward planning. A representative from a Boxing Club in Northwich then addressed Members to speak about the impact the Club has had on children needing somewhere to go, and he now needs a suitable premises to extend the Boxing Club for the numbers that are attending. He is a professional Coach and has all safeguarding standards in place. Dealing with children from all backgrounds, some difficult backgrounds and has found boxing gives them an interest. Cllr. K Cernik agreed it provides a safe place, and asked specifically what is being looked for. Advised that sessions need to be housed in the same building, and had looked at the Jubilee area in Winnington. Cllr. Siddall asked if boxing will be inclusive for both male and female. This was confirmed. Town Mayor agreed there is a need for a sub-committee, to look at possible empty premises etc, and an opportunity to discuss what's needed. Proposed to set up a sub-committee by Cllr. R Cernik, seconded by Cllr. Emmett. Councillors interested consisted of Cllrs. Emmett, Stott, Lockett, Siddall and R Cernik.

Wildflower Areas

Wildflower planting took place on Friday 1st April in the following locations

- Witton Cemetery
- St Helens Church Yard
- Verdin Park

Local schools took part in the planting and they will now be able to watch the wild flower germinate into full colour in the coming months.

St Helens Churchyard Improvements.

Over the last few months we have been working with St Helens Church to make improvements to the church grounds, volunteers have been busy cutting back overgrown areas during the weekends and NTC staff have been removing the brash. Following on from this we have cultivated the banked area and this will be put to seed and maintained by NTC staff.

We are also supporting the St Helens Heritage Trail which the church volunteers have been working on for some time which will see a walk starting at the Church going to Carey/Marbury Park and returning to the Church.

Vickersway Park

The new pergola will be installed in the coming weeks and as discussed at previous meetings will be fabricated from steel to give longevity.

The shop opened on Saturday 2nd April for the Summer season and will as usual be selling ice cream, snacks, toasties, hotdogs, and hot and cold drinks. All the parks games will be open as usual which include crazy golf, tennis, bowls, putting and table tennis.

Verdin Park

Works will begin on improvements to Verdin Park in the next few months which include works to steps, hedging boards and surfacing.

We will also be looking to have a small catering unit once again at weekends serving food and hot and cold drinks.

For the Queens Jubilee we will be installing a beacon on the bank at Verdin Park which will be lit on the 2nd June along which will coincide with the beacon lighting at St Helens Church.

Contract Works/Grass Cutting

The teams have now started grass cutting all parks, cemeteries and contracts, all NTC areas are looking well maintained and this is a credit to all our staff that undertake the works.

Emergency Access at Carey/Marbury Park

We have been working with CW&C Council to look at access to Carey/Marbury Parks following concerns raised around emergency access. CW&C now have a procedure in place working with Northwest Ambulance so that emergency vehicles can gain access and get closer to any incident reported.

Thanks to Cllr Amy Locket, Cllr Sam Naylor and David James at Marbury for there work on this.

Prepared By : Chris Shaw

Subject : Church Walk Paddling Pool

Background

Discussions were held this year regarding the possibility of looking to charge for the use of the paddling pool when the facility opens in May. This was mainly due to running costs and also over half the users of the pool come from outside the area and do not pay directly into the facility.

Preparations are under way to ensure the pool will be ready for opening in May, with the surface being cleaned and repainted. We are also looking at a non-slip surface and are currently speaking with a few suppliers to ensure we are using the best product.

The booking system that was used last year will be used again this year with 2 sessions per day 10.00 am – 1.00 pm and 2.00 pm – 5.00 pm. You will only be able to book one session per week which gives other people a chance to book sessions and we would kindly ask that people don't try and get around the system and book additional sessions as this only stops other users from booking.

Ice-creams, hot dogs, hot drinks and cold drinks will again be available from our small shop and we would encourage users to support this facility.

Proposal

Options for pool are listed below

- Option 1 - Charge £1 per person to all visitors to the pool, this will be non-refundable and payment will be taken at the time of booking.
- Option 2 – Only charge visitors that do not live in the Northwich Parish, this will be complicated and difficult administer.
- Option 3 – Due to an overall increase in the cost of living to residents we defer any decision this year and look again next year when we have full costs of one years opening using the booking system.

Decision

Members to approve one of the options above.

Decision of the Council is requested
