NTC 22/22 TOWN CLERKS REPORT

Crossing Points in Northwich

At the last Full Council meeting Cllr Siddall gave a verbal report on various crossing points in Northwich. Following on from the report TC has contacted Highways who will be carrying out a safety audit.

Youth Provision

The youth provision initiative in Northwich is still taking place, unfortunately the first disco was cancelled due to low numbers but we will now increase our marketing and push this more in the schools and other outlets. The following activities are still to take place over the coming months.

- Police discos at the Plaza
- Party in The Park (Verdin Park)
- Vickersway Park activity days throughout the summer holidays
- Brio Leisure activities
- Odeon cinema nights

All this activity is being funded and organised by NTC, R&WT, Northwich Police, Northwich BID, EdSential and Barons Quay.

Church Walk Paddling Pool

Unfortunately the pool has had to undergo some emergency repairs in the last few weeks to the surface, this was carried out over 2 days and the pool is now back up and running, this repair was carried out by our own staff to reduce downtime on the pool. We have also had to order a new point for the mushroom due to this developing a fault, this is on order and will be installed as soon as we take delivery.

Northwich Events

There is now a comprehensive what's on guide for all Northwich Events which can be found on the link below.

<https://visitnorthwich.co.uk/northwich-2022-events/>

There is also a booklet that has been produced which is currently being delivered to households and can be picked up in various businesses throughout the town while stocks last. Thanks to Adam Gerrard, Northwich BID who compiled the booklet.

Cllr Cooper added this is a much needed booklet and should be helpful to support struggling businesses.

Cllr Bowden wished to acknowledge the hard work and commitment shown by NTC, CW&C and the BID involved in the staging and organising of events.

NTC 22/27 HS2 PETITIONING

Cllr. Cooper gave background processes and procedures. HS2 Bill is to be heard by a Government Select Committee. CW&C are setting out a comprehensive objection and NTC has opportunity to add to this. Cllr. Holland mentioned that he has spoken to HS2 Ltd regarding a community response. He also handed out maps illustrating the effect on Northwich as a town. Disruption could last for up to 10 years. Cllr. Cooper explained that the Select Committee does not negate the Bill but NTC need to set

out mitigations. Cllr. Naylor added that decision should be made democratically, we strongly object to the impact HS2 will have on our town with business community severely suffering.

Cllr. Cooper suggested that NTC form a sub-committee to deal with this matter. Discussions continued, and it was further suggested that Cllr. Melville should be part of the sub-committee along with other members. Therefore, Cllr. Cooper proposed to form a sub-committee seconded by Cllr. Illidge. Cllr. Naylor added that NTC should take decision based on current proposal. Town Mayor suggests that the committee formed should meet, and an Extraordinary Meeting be arranged, and bring any proposals back to Full Council. A vote then took place with 100% of members present being in favour of this course of action. Sub-Committee will consist of Cllrs. Melville, Cooper, Bennett, Holland, Gerrard and Naylor. Other members may join if desired.

Cllr. R. Cernik quoted part of the HS2 Hybrid Bill and the conditions of a petition. Cllr. Holland understood we have 2 years to petition.

Cllr. Naylor proposed a Motion that objectives should be stated in principal to HS2 Ltd that we do not support the rail link. Seconded by Cllr. Holland. Cllr. K Cernik supports connectivity. Cllr. Fox commented the Levelling Up should be used to address connectivity and not spend on HS2 proposal. There is no funding for investment into Crossrail, so could not support any compromises.

At this point Cllr. Cooper again declared an interest in TfN and abstained from the vote.

A further vote took place on the Motion. Cllrs Illidge, Bowden, Holland, Gerrard, Macdonald, Emmett, McNamee, Naylor, Waterman and Dean voted in favour. Cllrs. Cooper, R & K Cernik, Fox, Siddall and Melville abstained. No Councillors voted Against. Motion carried.

NTC 22/28 NORTHWICH NEIGHBOURHOOD PLAN

A report was provided to Members prior to this meeting. Cllr. Cooper gave background to the current NNP which was approved for use in 2018. Good practice to monitor the effectiveness of the existing Plan, and changes may need to be made. Does not want to see NNP challenged and further steps need to be considered in particular to Planning Inspectorate. Cllr. Fox suggested this matter is delegated to the Planning and Environment Committee, and further commented in respect of opportunities of Section 106 funding, focussed on important issues regarding development and sustainability aligned with CW&C. Many unknown changes to the Planning Bill. Town Mayor suggests a permanent Task Group be formed with recommendations reported to the October Full Council meeting. Proposed by Cllr. Cooper, seconded by Cllr. Dean. All in favour.

Resolved.

NTC 22/29 KRAZY RACES

A full report was distributed among members prior to this meeting. In partnership with Sarah Belcher Events and after a two year wait due to the pandemic, Krazy Races came to Northwich and what a fantastic event it was with the town flocking to the event.

The event has been very well received with many positive comments on the day and on social media.

NTC 22/29 KRAZY RACES cont'd

The event could not have taken place without the continued support of our partners and volunteers who worked tirelessly throughout the day from keeping the site safe to litter picking and directing cars on the car park.

A big thank you to all NTC staff, Adam Gerrard from Northwich BID, Ian Tordoff from CW&C Events Team, NOW Northwich volunteers, Rotarians, NTC Members who were all on site throughout the day.

Cllr. Naylor commented what a great event and huge success with numbers attending. Disappointed that local businesses did not participate as much as they could but need to encourage future support, and for community participation. Cllr. Thomas expressed the need to explore local businesses to provide food etc. at the event rather than use companies from outside the area. Also to encourage the Artisan Market Craft stall holders to participate.

NTC 22/30 DROP CROSSINGS IN NORTHWICH

Cllr. Dean has had complaints regarding drop kerbs for Mobility Scooter users, Has contacted CW&C regarding this and apparently there is no funding available. Quoted extracts from the Department for Transport Mobility Guidelines illustrating rules and guidelines. Explained some of the problems experienced by mobility scooter users. Cllr. K. Cernik advised there is a Disability Officer available and are good on these matters. Cllr. Cooper agreed this is a big issue and NTC Planning Committee should be mindful to look for opportunities and improvements to prospective large developments in this area. Cllr. Bennett commented that parking on roads in Winnington Village complex sometimes obscures these crossings created for this purpose.

NTC 22/31 SOOT HILL COLLAPSE UPDATE

Report was distributed to Members prior to this meeting for information only. Noted.

NTC 22/32 WOMEN IN SPORT

Cllr. Siddall put forward a proposal that NTC links up with others to support local sports groups as he feels there is not enough investment into Women's sports. Cllr. Naylor commented that Vale Royal Sports Partnership have full day activities to encourage girls playing football. Cllr. Siddall is open to suggestions as to what NTC could do next year to look for others to work in partnership with. Cllr. Waterman would support this very much. Cllr. R Cernik added that Brio Leisure have lots of programmes. Cllr. Cooper proposes this matter be referred to the next Amenities Committee Meeting, seconded by Cllr. Siddall.

Cllr. R Cernik advised of the Holiday Activity Fund update. Regarding School holiday activities, Cheshire West Voluntary Action co-ordinate these schemes in conjunction with Food Banks. NTC have already got set up with activities during the summer holidays.

Cllr. Naylor mentioned the Disabled Awareness Day event happening at Memorial Court on 25th August. Also advised of a Task Force Group of which he is a member for the Anderton Boatlift upgrade. Success of the Anderton Boatlift is to dredge a section of the River to Town Bridge which would encourage boat trips to Northwich.

Cllr. Edwards referring to the latest set of figures shows the population of the Borough has risen by 8.4% .
