

KRAZY RACES

This years Krazy Races will take place in Verdin Park on 26th June 2022 for the First-Ever Northwich Krazy Races. Enter a Team or Come Along and see our Krazy Event! It's now time to start putting your 'vehicles' together in time for the big event.

Event Schedule

10:00 - First Race

13:00 - Second Race

16:00 - Final Race for the Top 10

17:00 - Prize Giving & Awards

Further details of how to enter and information about the event can be found by visiting

www.krazyraces.co.uk/northwich-krazy-races or the dedicated Facebook page.

This event is FREE to watch. We will have some great quality food and drinks vendors on site but please feel free to bring a picnic and enjoy the park.

Verdin Park is an open park, so please feel free to bring well behaved dogs on a lead.

Details on how to get to the site and parking will be posted nearer the event.

Timings of the races are subject to change and are approximate.

There will be a large number of people expected on the day. Please bear in mind there may be queues for the toilets and food & drink outlets.

There will be some great quality food and drinks vendors on site but do feel free to bring a picnic and enjoy the park

Viewing will be from the path along Verdin Park and all along Castle Street.

There will be plenty of activities available for children and families, in and around Verdin Park (activities will be individual priced)

DEFIBRILLATORS.

There are now 20, 24/7 accessible devices placed in prominent places throughout the town. They are all registered on the British Heart Foundation's database. Purchase and installations have been made possible with donations, along with ourselves, from our Partners including Rotary Club, Northwich BID, BRIO, TATA, Northwich Rowing Club, local businesses and Councillor's Members Budgets. All devices are managed and maintained by Northwich Town Council. More are planned in the future.

Should an emergency and the need to use a Defibrillator is required, the following process is to be used. Dial 999 immediately. If you are unsure where the nearest Defibrillator is located you will be told, along with further instructions. For your convenience, the following is a list of equipment already installed with more planned in the coming months.
