

Northwich
town council

12 Month Action Plan

- **Community Wellbeing:**

Continue to improve our play areas. Belmont Road Play area is next on the agenda

- **Environmental Sustainability:**

Reduce carbon footprint through energy efficiency programs, green infrastructure projects, and waste management strategies.

- **Social Inclusion:**

Promote equality and opportunity for all.

- **Environment:**

Increase wildlife friendly plants in our areas

Plant new hedgerow at Dane Valley Cemetery to create natural habitat

- **Community Engagement:**

Arrange consultation with residents regarding new play areas

- **Education:**

Collaborate with schools when we are holding events at our parks or in town

- **Parks and Cemetery:**

Upgrade existing parks, develop new recreational facilities

Continue to update pathways within Witton Cemetery

Add additional plinths to Dane Valley Cemetery for more burial and cremation plots as needed

- **Budget Review:**

Finalise budget allocation for the upcoming fiscal year, identify potential cost-saving measures.

- **Stakeholder Engagement:**

Regularly consult with community groups, businesses, and local organisations to work in partnership

- **Resource Allocation:**

Clearly identify required funding, staffing, and technical resources for each action step.

- **Monitoring and Evaluation:**

Track progress, measure outcomes, and make adjustments as needed.

Date approved: 3rd March 2025

Minute reference number: NTC 24/118

- **Communication Strategy:**
Effectively communicate council plans and activities to the public through various channels like website, social media, and local media.

Date approved: 3rd March 2025
