

Rough Sleeping Services transfer to Forum Housing

From **1 April 2026**, all rough sleeping related services, enquiries and support will be fully managed by Forum Housing.

This includes the outreach service and responding to reports of rough sleeping.

If you are concerned about someone who is rough sleeping, or you are rough sleeping and you want to report it to the outreach service, you can do so by sending an alert to Streetlink.

Your alert will be passed on to Forum's outreach team who will try to find you, or the individual you are concerned about, at the location you give them.

Get support from the Council
